JUGHEAD NO. 144 MAY MEMBERSHIP — TWENTY CENTS

FIRST PRIZE — $5.00

REPORTER
LYNN McCORD
403 West Grand Avenue
Muscle Shoals, Ala. 35662

Dear Archie,

My name is Lynn McCord. My mother, father and I went to Florida on our vacation this summer. We went to Silver Springs, Florida. We rode the glass-bottomed boats. We saw catfish about three feet long. On the jungle cruise, we saw alligators, cranes, and monkeys. The boat driver was peeling bananas and throwing them piece by piece to the monkeys. While he wasn't looking, my uncle threw a whole banana to a monkey. He caught it, peeled it, and ate it.

When we went to six Gun Territory I saw Tony Dow, who plays Wally on "Leave It to Beaver," in person. We saw gunfights, can-can girls, and other attractions. Some Indians from Oklahoma did some of their dances. We also went to Cypress Gardens where they have daily ski shows. The gardens there were beautiful. I hope we go back to Florida next summer.

SECOND PRIZE — $3.00

REPORTER
JEAN CROONQUIST
7327 Zachau Place
Tujunga, Calif.

Dear Archie,

Last summer I went to Europe. I left from New York on a boat and arrived in Oslo, Norway nine days later. I stayed in Norway about two months. While I was in Norway, I saw "The Mid Summer Night." That is the night in the middle of summer which is supposed to stay light the longest. I went up to the northern part of Norway to stay with some of my relatives. We saw the "Midnight Sun." We were so far north it stayed light all night long.

After about two months in Norway, I went to London for a short trip. When I was in London I saw Buckingham Palace and the Changing of the Guards. It fascinated me how the men could sit up on their horses without moving with children petting the horses and adults taking pictures of them, and they still sat straight and tall. That was the best trip I've ever been on!

THIRD PRIZE — $2.00

REPORTER
PRAKASH JUNJHNUWALA
52 A Kennedy Road, 5th Floor
Hong Kong

Dear Archie,

How exciting it is to write to you for the first time and to be a member in your wonderful club. I am a boy. I am 16 years old. I have been living in Hong Kong for about three years. My favorite subjects are math and science. Here we have our summer holiday from July to September. During the recent holiday, my parents, my brothers and sisters, and I went to Thailand and India as tourists.

In Bangkok we saw many interesting temples and went to the beach at "Hua Hir." The sand there was silvery. We saw the Taj Mahal in India. It was a splendid sight. The whole building is made of marble and at night, during the full moon, the marble reflects light. We went to many parts of India, and when we returned, I was two days late for school. This trip was very exciting and wonderful. It was a rare trip which we will never make again.

FOURTH PRIZE — $1.00

REPORTER
JIMMY CARPENTER
2119 Erie Street
N. Kansas City, Mo. 64116

Dear Archie,

A grown friend of mine, who was on a water fowl survey in Alaska, was paddling up a stream when a black bear on the bank saw him. The bear plunged into the water and came at the man. He landed, grabbed his pack, and shot up a tree, but the bear followed him. The bear came up after my friend, bit his right foot, but let go when he kicked him. When the bear backed off, the man tried to climb higher but lost his grip and slid to the ground. For some reason, the bear backed off. Soon the bear was back. The bear

repeatedly attacked my friend, but he managed to scare him off. Finally a co-worker showed up, and the bear ran off. The man was unhurt, but he had been treed for almost two hours.

FIFTH PRIZE — $1.00

REPORTER
CYNTHIA STOLK
307 Bell Avenue
Ely, Nev.

Dear Archie,

Last summer my parents, my brother and I went fishing with my cousins. While the others were fishing, my cousins and I played inside the car and trunk. My little cousin released the brake, and the car started rolling slowly down the hill toward the lake with the rest of us in the trunk. My father saw the car rolling and ran after it. He caught it and stopped it just in time before it went into the water.

SIXTH PRIZE — $1.00

REPORTER
CANDY HARRISON
3 Walker Avenue
Taunton, Mass.

Dear Archie,

Last summer at Caporn Park in Attleboro, Mass. The keeper was feeding one of the lions. Not suspecting that anything would happen, he left the cage door open. Quickly the lion slipped out of the cage. The keeper notified the police. They came with the tranquilizer gun. They finally found him. They tried to shoot him with the tranquilizer gun, but it was jammed. The lion had just slaughtered a lamb for his lunch, when the police broke the news. They had to shoot him. He was just about to jump over a seven foot fence into the residential area when they shot him. No more lion!

SEVENTH PRIZE — $1.00

REPORTER
JILL WAGNER
Crestview Drive
Middletown, N.J.

Dear Archie,

I am a new member of your fan club and I thought I'd tell you a little about myself. As you have gathered my name is Jill Wagner. I'm twelve years old, and my father is in the service. Being transferred so many times, I have seen much of the states and of Europe.

I think Germany was very amusing, and I saw a lot of it in two years. But it's good to be back in "the land of round doorknobs" (the U.S.). For you see, in Germany the doorknobs are not round but oblong, and there are no locks on the doors. At times this is troublesome, for instance, keeping little brothers out of your room. I picked up a little German and I am planning to take French. My most enjoyable hobbies are painting and sewing, and I find them very amusing.
